

LOULOU FLOPPY HAT

- cut 2 of all pieces (one main fabric set, one lining set)

MAIN FABRIC SET : sew A short edges together. - sew A to B. - sew C narrow edges together.
- sew C to bottom of A.

LINING SET : - repeat all step with lining pieces. - undo seam on narrow edges of A to create an opening to turn finished hat right side out.

FINAL ASSEMBLY : Place MAIN FABRIC assembly and LINING assembly right sides together, matching seams. - sew all around C - turn right side out through opening. - press.

OPTIONAL : top stitch multiple concentric rows to "fuse" both brim layers together and give it some strength. Or iron some fusible web onto all pieces before cutting.
